

15 November 2017

Dear 8<sup>th</sup> Grade Parents/Guardians:

This year, our yearbook will be including events and clubs that have been previously overlooked. This is a great thing, as it reflects the students' activities throughout the year and chronicles their great times together. Because of this and other unavoidable factors, we will not be able to offer dedication pages for eighth graders. The yearbook staff has been working diligently to create an alternative to the dedication pages. In the past, parents have been presented with the option of purchasing pages or parts of pages for their children. This year, each child will be allotted two lines of a dedication page at no charge. These lines can be written from the family, from individual parents, or however you see fit. The limit for these two lines is 35 words or 170 characters. Of course, there will still be fantastic eighth grade pages for the school pictures and baby pictures. This dedication page will be an additional page where we hope to include each one of our incredible eighth graders. Each eighth grader will also receive a copy of the class slideshow in a DVD format following promotion.

Please fill out the bottom portion with the wording you would like to appear on the dedication page. Please include your student's name in the dedication.

**All dedications must be turned in by Friday, December 1<sup>st</sup>.**

Thank you for your understanding and support!

The Yearbook Staff
