As we start a new year, with great projects being planned, I ask for donations of common supplies we could use in our class. We appreciate it if any of you could send some of the following materials from home; Junior high size t-shirts, margarine tubs, plastic bottle caps, yarn and paper plates.

We need to know if your child is going to be in the Chino Valley Territorial Days Parade.

The parade is on August 30, 2014 in Chino Valley (of course), and begins at 9:15 and lasts about an hour.

If your child is going to be in the parade, you need to be able to transport your child to and from parade. Mrs.Rohrbough will be at the staging area by 8am, but you must drop off your child BEFORE 8:30am, and pick up is immediately following OUR finish in the parade. Don't wait until the parade is completely over to pick up your child, it gets very crowded at the end. We suggest you try to sit near the end of the parade route, then it will be easy to follow Franklin marchers to pick up your child.

We need to know As Soon As Possible, we have an application deadline, and if we don't have enough participants we will not sign up. Please get this back to Franklin by Monday, August 18,2014.

Dear Parents,

It is important to inform you of some significant changes to Arizona Revised Statutes regarding the promotion and retention of third grade students.

Please note that these changes take effect in the school year 2013-14. This school year's third grade students (2013-14) will be the first group of students to be impacted by this legislation.

The newly revised law states that a student shall not be promoted from the third grade if the student obtains a score on the AIMS reading test (or a successor test) that demonstrates he or she is reading far below the third grade level. Beginning in 2013-2014 school year, there are two exemptions from ARS §15-701.

In accordance with the new law, a school district or governing board or the governing body of a charter school may be allowed to promote a pupil who earns an AIMS score that falls far below the third grade level for any of the following reasons:

- English Language Learners or Limited English Proficient that have received less than two years of English instruction; and
- Students with disabilities provided that the pupil's individualized education program (IEP) team and the pupil's parent or guardian agree that promotion is appropriate based on the pupil's IEP.

The revised statute (A.R.S. § 15-701) can be accessed at the following website:

<http://www.azleg.gov/ars/15/00701.htm>

If you have questions or need additional information please contact Ms.

Gabaldon at Franklin Phonetic School (928) 775-6747.

Sincerely,

Ms. Gabaldon
