June 18, 2018

Greetings,

Once again Trinity Lutheran Church has the resource to help parents with new back packs and supplies for their child/children going back to school in August.

We do not know your resources or position you are in, we are here to help the community by sending children back to school in August with supplies that can have to help them in school.

If your family needs help in this matter, or you know some one else you know, please give them the information that is in this letter. Trinity will be giving the back packs out on July 28, 2018 from 9:00 a.m. to 12:00. We have up to 300 back packs for all grades. The children must be there to get their back pack.

Also Trinity Lutheran Church been helping families at Christmas time with are ANGEL TREE. In October parents come to the church sign their child/children up for Christmas gifts. If you are in that situation call Trinity the first of October and they will give you the time and the days for sign up. Also if you know any one in that situation let them know. You can call Fred at 928-775-2197 for more information. If you call please speak slow and clear so we can call you back.

Caring in Christ,

Fred Pamer
Deacon Fred Pamer
