2018-2019 SCHOOL YEAR

DEAR PARENTS,

I am extremely excited for this coming school year - I can't wait to begin making great music! If your student is in 4th grade or higher and is interested in playing a band instrument, please plan on attending our informational band night on Tuesday, July 31, 2018 from 5:00pm - 6:00pm in the auditorium. It is strongly encouraged that any student that is interested in band attend our informational meeting; we will be discussing supplies, schedules, expectations, and registration. Beginning Band students will begin class on Monday, August 6, 2018.

It is recommended that each student purchase their own instrument. When a student owns their own instrument it gives them a sense of responsibility. If you are interested in purchasing an instrument, please reference the instrument buying guide on the band website or contact me directly for helpful buying information.

Unfortunately, purchasing an instrument is not always feasible; renting an instrument however, can be a great alternative. During the informational band night on Tuesday, July 31, 2018, a representative from Milano Music will be in the band room to rent instruments and sell supplies. Milano Music instruments are of better quality than our school owned instruments and can be insured against accidental damage, loss, and theft. Milano Music also offers a rent to own program that allows rental payments to go toward owning the instrument.

If purchasing or renting an instrument externally is not feasible, a limited number of school owned instruments may be rented. School owned instruments will be distributed during the first week. Instruments will be rented with priority to oldest students first. If you are interested in using a school owned instrument, especially large instruments, please contact me in advance. Instrument rentals will cost \$100 for the school year. Scholarships may be available. Please contact me for more information.

Due to extremely high response, students interested in playing percussion in beginning band will need to audition. Simple auditions will take place during the first week of school. Students interested in percussion should have a second choice of instrument in mind. It is recommended that students wait to purchase their supplies until after auditioning.

Attached to this document is a list of supplies that your student will need to be successful in band. Milano Music will have supplies for purchase during the informational band night on Tuesday, July 31, 2018. If you have any questions, do not hesitate to contact me. I am looking forward to an incredible year, and I know you and your child will be an essential part of our success.

Have a wonderful rest of your summer!

A handwritten signature in black ink that reads "Dakota Rutt".
