Not Present: Neil Wright

### New Business

#### Discussion regarding accounting software system: Sage

David Cutter, our IT consultant, explained that initially it was setup to be accessed utilizing team viewer, but this would only grant access to one person at a time. Additionally, all parties need to be able to access and share excel documents amongst themselves. Now he has installed Sage on our server so all parties can access the program remotely. He has also installed Sage onto the accounting computer directly at Prescott Valley.

David has suggested installing Sage on everyone's computer and having them access the program through a VPN. This way, everyone will be able to access the program in real time and at the same time. This should also solve the problem of Alison not being able to print directly from Sage at Sunnyslope. The program is Sage Client that has now been installed and will be used so everyone will have access. We have 3 user licenses so it can be installed on 3 computers. The plan is:

1. Setup Sage Client on all necessary computers
2. Setup the needed VPN
3. Get Alison a new computer that will be able to handle the program and includes the following:
  - a. Sage Client
  - b. Excel
  - c. PDF Writer
4. Change the backup time from once a week to everyday
5. Create a share file of server for all to access excel documents as needed
6. Install Sage Client on Rick's computer

#### Getting Sage current:

It took some time to all the vendors entered into Sage, but they are all entered. We now need to enter all the invoices so we can get an accurate financial report. Although it is not required to have a financial report at the board meetings, it is best practices so everyone would like to complete the process as soon as possible. Once all the information has been sent to Alison and Rick, they can start entering the invoices. Rick will train Alison and Diane on entering invoices into Sage on Friday, March 1<sup>st</sup>, at 9:00AM.

ASRS has not had monies deposited into since December. We have been assessed a penalty for being behind.

#### Concern with W2s

Between the ransomware and an issue with QuickBooks, some of the W2s are not correct. Rick and Alison will be working on making the corrections. The plan is to get the W2C's out on Monday, March 4, 2019. Most staff members in Prescott Valley were issued a \$200 check in order to help with the concerns of the incorrect W2s.

#### Approval of the prior minutes from January 31<sup>st</sup> and February 13<sup>th</sup>, 2019:

Motion to approve prior minutes with a correction on January 31<sup>st</sup>, under the Prescott Valley update to say, "Our campus hosted a math league competition..." made by Becky Fitch, seconded by Kelly Hawley, and passed unanimously.

**Financial Report update for Sunnyslope and Prescott Valley:**

Prescott Valley – has a balance of about \$9100 and we have not received our state aid payment yet.

Sunnyslope – has a balance of about \$3300 before receiving our state aid payment.

**New Business:**

**Discussion/Approval of Site Development for the new Franklin School Building:**

The town has accepted our offer and Kory is working on the final proposal. We would like to include a time frame for moving the water main. We have already paid \$22,000 in property taxes and Mr. Condos is working on getting that paid back to us. We have been using our land because we do have a parent pull off that we utilize daily. Although we have already paid \$20,000 on plans, we have had to make several changes due to the town. We have contacted 4 engineers: Scott Thompson; Kimly Horn and Associates; Dubroy Engineering; and Mark Evans. Michael Taylor and Kelly Wise were too busy. Dubroy Engineering submitted a bid charging \$110/hr. and believes the total cost would be around \$20,000. Within one month, they could get a Conex box and fences. However, they have a back log of 3 months.

Kimly Horn and Associates could start on March 15, 2019 with an initial payment of \$5,000. They state the cost will be \$35,000.

A motion to go with Kimly Horn and Associates as our engineer was made by Christina Gabaldon, seconded by Traci Lira, and passed unanimously.

**Highland's Nature Center Habitat Grant:**

Christina Gabaldon presented the Highland's Nature Center habitat grant opportunity to the board. A motion to apply for the Highland's Nature Center habitat grant and the commitment of necessary funds for the installation of the grant during the upcoming school year was made by Becky Fitch, seconded by Kelly Hawley, and passed unanimously.

**Old Business:**

**Sunnyslope update**

Tony Loer said the teachers appreciate the Chromebooks and believe they will be ready for online testing next year.

Debbie Denette is officially resigning from the governing board. Motion to accept her resignation was made by Kelly Hawley, seconded by Christina Gabaldon, and passed unanimously.

**Prescott Valley update**

We won the lawsuit. The town will move the water main and we agreed to pay a one-time fee of \$30,000 once our building is finished and we have our certificate of occupancy. On Wednesday, February 27, 2019, the Charter Board stopped by and conducted an audit. There are a few things we need to address and change. They will let us know as soon as possible and we will begin address the items as needed.

**Next meeting:**

March 28 @3:30

**Adjourn:**

Motion to adjourn at 4:30 made by Traci Lira, seconded by Kelly Hawley, and passed unanimously.

## SETTLEMENT AGREEMENT

This Settlement Agreement ("Agreement") is made as of ~~February 27~~ March 25, 2019 (the "Effective Date"), by and between the Town of Prescott Valley, Arizona (the "Town") and Franklin Phonetic Primary School, Inc. (the "School"). The Town and the School are referred to collectively herein as the "Parties."

### RECITALS

**WHEREAS**, the Town and the School have been engaged in litigation concerning whether the School's parking capacity complies with the requirements of the Prescott Valley Town Code, *see Town of Prescott Valley v. Franklin Phonetic Primary School, Inc.*, Yavapai Superior Court No. P1300CV201600634 (the "Parking Action").

**WHEREAS**, in July 2017 the School acquired ownership in fee simple of several parcels of land located at approximately 6021 East Highway 69 (*i.e.*, lot numbers 164 to 165 of Castle Canyon Mesa Unit Two, and lot numbers 451 to 459 and 462 to 469 of Prescott East Unit Two) in Prescott Valley, Arizona (hereafter, the "Property") for the purpose of constructing additional campus facilities.

**WHEREAS**, a large underground public water line that is owned and maintained by the Town traverses the Property in a north-south direction.

**WHEREAS**, in September 2018 the School initiated a civil action against the Town in connection with the water line, seeking quiet title relief and damages; the Town brought counterclaims alleging the existence of an easement and a public dedication in favor of the Town. *See Franklin Phonetic Primary School, Inc. v. Town of Prescott Valley*, Yavapai County Superior Court No. P1300CV201800849 (the "Quiet Title Action").

**WHEREAS**, notwithstanding the Parties' belief in the merits of their respective legal positions in both proceedings, the Parties wish to resolve the claims and issues in the Parking Action and the Quiet Title Action in their entirety;

**NOW, THEREFORE**, in consideration of the mutual promises and undertakings set forth below, the sufficiency of which is acknowledged, the Parties agree as follows:

#### **I. Terms of Settlement**

**A. Removal of Water Line:** The Town shall remove or shall cause to be removed and relocated, at the Town's sole expense and as soon as reasonably practicable (~~and in no event later than 3 months after the Effective Date~~), the water line that currently traverses the Property along the boundary line between lots 455 and 456 and lots 464 and 465 in Prescott East Unit Two (APNs 103-08-017A and 103-08-012B). The Town warrants and agrees that the removal shall be accomplished no later than September 21, 2019, and shall be performed in a good and workmanlike manner that does not unduly impede the School's use of the Property or endanger the health or safety of the School's students or personnel, ~~and that~~ The Town will indemnify and hold harmless the School from and against any and all losses, costs, expenses, damages, liabilities, claims, suits, demands, judgments, causes of action of

any nature (including but not limited to attorneys' fees and costs) arising out of or relating to the water line or the removal and relocation of the water line. The Town will execute a quit claim deed (the "QCD") of any and all interest it has in the Property to the School upon completion of the removal and relocation. The Parties will record the executed QCD with the Yavapai County Recorder's Office.

**B. Refund of Building Fees, Design Change Fees, and Development Impact Fees:**

The Town will refund to the School within forty-five (45) days of payment or the Effective Date, whichever is later, any Building Fees, ~~Design Change Fees,~~ and Development Impact Fees paid by the School in connection with the expansion proposed in its May 16, 2018 site plan (or any revised plan) for the Property, pursuant to A.R.S. §§ 9-500.05 and 9-500.11. Building Fees include any Building Permit Fee, Plan Review Fee, Mechanical/Electrical/Plumbing Fees, and Zoning Fee. ~~Design Change Fees include engineering fees, not to exceed \$10,000, incurred as a result of the Town's initial disapproval of the School's proposed site plan, fence permit, and building permits.~~ Development Impact Fees include any Circulation System Fee, Public Safety Fee, and Recreation, Parks & Open Space Fee.

**C. Processing of Construction Permit Applications:** Upon the School's submission of completed applications for construction permits in connection with its development of the Property, the Town will review and process such applications expeditiously and in good faith, and will issue the requested construction permits as soon as reasonably practicable.

**D. Use of PCFD Parking Spaces:** The School shall be entitled to count one hundred three (103) parking spaces located in the Parkway Community Facilities District No. 1 for the School's existing campus; and ~~sixty one (61) parking spaces located in the Parkway Community Facilities District No. 1 for the campus that the School proposes to construct on the Property,~~ for purposes of Section 13-24-030(F) of the Prescott Valley Town Code (or any successor provision).

**E. Payment by the School:** No later than thirty (30) days after the issuance of a certificate of occupancy for the building to be constructed on the Property, the School will remit to the Parkway Community Facilities District No. 1 a one-time payment in the amount of thirty thousand (\$30,000) dollars. The issuance of the certificate of occupancy for the building to be constructed on the Property is a condition precedent to the School's obligation to make the payment contemplated by this paragraph.

**F. Termination of Litigation:** No later than seven (7) days after the execution of this Agreement by both Parties, the Parties will cause to be filed (1) a joint motion to vacate the judgment of the Superior Court in the Parking Action, and (2) a joint motion to dismiss, with prejudice, all claims and counterclaims in the Quiet Title Action.

## II. Mutual Release

For and in consideration of the promises and covenants ~~of~~ contained in this Agreement, each Party on behalf of itself and its attorneys, agents, representatives, affiliates, successors and assigns, does hereby mutually release and forever discharges the other Party from any and all actions, causes of action, claims, demands, liabilities, obligations, promises, agreements, damages, fines, penalties, assessments, attorneys' fees, costs, expenses and compensation and all damages, whether known or unknown, contingent or matured, joint, several or individual, sounding in contract, tort or otherwise,

arising on or before the Effective Date in connection with any matter relating to or arising out of the Parking Action or the Quiet Title Action, except for obligations undertaken pursuant to this Agreement.

**III. No Admission of Liability**

It is understood and agreed that this Agreement represents the compromise of disputed claims, that neither the consideration furnished nor the negotiations for or provisions of the Agreement shall constitute or be construed as an admission of liability by any Party hereto as to any actionable claim, and each party hereto expressly denies any liability.

**IV. Voluntarily Entered**

The Parties represent and warrant that this Agreement is executed voluntarily, with full knowledge of the consequences and implications of the obligations contained herein. The Parties further represent and warrant that they were represented by counsel of their choice, if any, throughout the negotiations that preceded the execution of this Agreement and in connection with the preparation and execution of this Agreement, and carefully and thoroughly reviewed this Agreement in its entirety.

**V. Capacity and Authority**

The Parties represent and warrant that they have the right and authority to enter into this Agreement. Each individual signing this Agreement on behalf of an organization further represents and warrants that the execution of this Agreement has been duly authorized by members, directors, officers, partners, or others, as required by the internal governing documents, practices, or policies of the organization on whose behalf the individual is signing. Each individual signing this Agreement on behalf of a governmental entity further represents and warrants that the execution of this Agreement has been duly authorized by the governing body or other authorized official of the governmental entity in accordance with applicable law.

**VI. Entire Agreement**

This Agreement is the entire agreement and all representations of the Parties and supersedes all prior agreements and representations, whether oral or in writing. This Agreement cannot be modified, supplemented, or amended unless agreed in advance, in writing, by the Parties.

**VII. Elective Rules of Construction**

The legal principle that ambiguities are to be construed against the drafter shall not be employed to resolve the meaning of any asserted ambiguous term or condition herein. Headings appear solely for convenience of reference; they are not part of this Agreement and shall not be used to construe it.

**VIII. Costs and Attorneys' Fees**

~~Apart from the Town's liability for \$9,097 in legal fees payable to the School,~~ Neither of the Parties shall have any liability for the other's costs or attorneys' fees relating to any claims arising on or before the Effective Date.

**IX. Binding Effect**

This Agreement shall be binding upon and inure to the benefit of the agents, successors, heirs and assigns of each of the Parties.

**X. Applicable Law**

The validity, meaning and effect of this Agreement shall be determined in accordance with the laws of the State of Arizona.

**XI. Notices**

All notices in connection with this Agreement shall be in writing and delivered via overnight delivery as follows:

To Franklin Phonetic Primary School:

Kory A. Langhofer, Esq.  
STATECRAFT PLLC  
649 North 4th Avenue, Suite B

Telephone: (928) 759-3030

**XII. Counterparts**

This Agreement may be executed in counterparts and by facsimile or PDF, with facsimile or PDF signatures considered original signatures.

**XIII. Severability**

If any provision of this Agreement is determined by a court or other tribunal of competent jurisdiction to be invalid, illegal, or unenforceable, such determination shall not affect or impair the validity, legality, and enforceability of the remaining provisions and all remaining provisions shall remain in full force and effect. Any remaining provision shall be deemed replaced by a provision that is

valid and enforceable and that comes closest to expressing the intention of the invalid, illegal or unenforceable provision.

**By the signatures of the Parties, or their designated representatives, below, the Parties agree to be bound by this Agreement.**
