SPORTS

Congratulations to our boys team on their win Tuesday. The girls' team lost but showed Great Spirit!

Lice have been reported in Kindergarten. Hand, Foot and Mouth (this is statewide not just our school) has been reported in 1st and 7th.

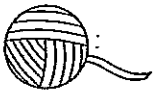

8th grade baby pictures are due December 1st you may turn them into Ms. Olson or send them to computerfranklin@gmail.com

Home Ec. is in need of GOOD pots, pans, griddle, toaster, skillet, etc. Any good kitchen items would be appreciated.

THE WOODSHOP IS IN NEED OF METAL LEAF RAKES. IF YOU HAVE ONE YOU WOULD LIKE TO DONATE PLEASE DROP IT OFF IN THE OFFICE. THEY USE THEM TO MAKE MUSICAL INSTRUMENTS!

Mrs. Norvell's 4th grade class is in need of yarn.

It's not too late to join Franklin School's first ever PTO. If you would like to help with events at the school call or text Jennifer @ 928-925-6316.

SCHOOL TAX CREDIT

Tax Credit Donation Form

The State of Arizona has authorized a tax credit for individuals to donate funds directly to schools. As a Public Charter School donations of up to \$400 for a married couple, or \$200 for a person filing as single or head of household, can be made directly to Franklin Phonetic School for the tax year 2016.

The donations we receive help to support our many fine arts programs, including Beginning Band, Concert Band, Jazz Band, 3/4/5 grades Choir, Junior High Choir, several levels of Drama, and Woodshop.

Franklin School offers an array of sports activities throughout the year. We have joined with local charter schools to form competitive teams in Flag Football, Volleyball, Cross Country, and Basketball.

Other donations help trips and special activities. Children who could not otherwise afford the minimal cost of an extracurricular activity are supported through the fund so that all students can participate.

Donations must be received by December 31st in order to be credited to your 2016 tax return.

Tax credit donations from last year provided the opportunity for our junior high students to compete at the Arizona State Citizen Showcase, where our students were awarded first place in the oral presentation category.

During the previous school year, Franklin School placed second place at the Yavapai County Spelling Bee. Participation in the County Spelling Bee was made possible using tax credit donations.

Donations also provided art supplies that allowed our students to work on special art projects and participate in field trips to local art exhibits and museums.

Please send checks payable to:
Franklin Phonetic School
6116 E. Hwy 69
Prescott Valley, AZ 86314

On the Arizona state income tax return, can a taxpayer claim both an itemized deduction and a tax credit for a contribution made to either a public school or a school tuition organization?

No. Any amount claimed as a tax credit cannot be taken as an itemized deduction. However, you may still claim any excess over the amount claimed as a credit as an itemized deduction as long as the contribution did not benefit your dependent.

What is the maximum dollar amount of the credit?

The credit is equal to the amount on Line 30 of your Arizona Tax Return up to the allowable amount per taxpayer.

- For single taxpayers or heads of household, the credit cannot exceed \$200. For married taxpayers that file a joint return, the credit cannot exceed \$400 for tax year 2016 and subsequent years.
- If married taxpayers file separate returns, each spouse may claim 1/2 of the credit that would have been allowed on a joint return.

Print and Return
With Donation

Please accept my tax credit donation in the amount of \$ _____. I understand a letter of acknowledgement and an Arizona Tax Form 322 will be sent to me for my 2016 tax return.

Hand, Foot, and Mouth Disease (Coxsackievirus) Fact Sheet

Hand, foot, and mouth disease is caused by one of several types of viruses

Hand, foot, and mouth disease is usually characterized by tiny blisters on the inside of the mouth and the palms of the hands, fingers, soles of the feet. It is commonly caused by coxsackievirus A16 (an enterovirus), and less often by other types of viruses.

Anyone can get hand, foot, and mouth disease

Young children are primarily affected, but it may be seen in adults. Most cases occur in the summer and early fall. Outbreaks may occur among groups of children especially in child care centers or nursery schools. Symptoms usually appear 3 to 5 days after exposure.

Hand, foot, and mouth disease is usually spread through person-to-person contact

People can spread the disease when they are shedding the virus in their feces. It is also spread by the respiratory tract from mouth or respiratory secretions (such as from saliva on hands or toys). The virus has also been found in the fluid from the skin blisters. The infection is spread most easily during the acute phase/stage of illness when people are feeling ill, but the virus can be spread for several weeks after the onset of infection.

The symptoms are much like a common cold with a rash

The rash appears as blisters or ulcers in the mouth, on the inner cheeks, gums, sides of the tongue, and as bumps or blisters on the hands, feet, and sometimes other parts of the skin. The skin rash may last for 7 to 10 days.

There is no specific treatment for the virus that causes hand, foot, and mouth disease

 **Help prevent and control the spread of hand, foot, and mouth disease by:** 

- Washing hands well, especially after going to the bathroom, changing diapers and/or handling diapers or other stool-soiled material.
- Covering the mouth and nose when coughing or sneezing.
- Washing toys and other surfaces that have saliva on them.
- Excluding children from child care or school settings if the child has a fever, uncontrollable "hand to mouth" behavior, not able to contain their secretions, such as ulcers in the mouth and the child is drooling, or draining sores that cannot be covered.
