There is a girl that is in 6th grade that was diagnosed with leukemia. She is a peer of mine but we are like strangers. We have never really talked or met however, I [Elisa Molina] grew this passion to help her as well as her family with any financial situations. I started to do a fundraiser for her and sell airbrush T-shirts, air brush camisoles, bandanas, bracelets, and ribbons. She is not only just a 6th grader; she is a part of the franklin family and has touched a lot of people's hearts.
