Hello Franklin Families!

There are several changes happening here at school and we are excited about all of them. I would like to personally thank you all for your support and encouragement as we navigate through all of the transitions.

We are excited to announce that our 21st CCLC After School Program has launched successfully. Currently, there are nearly 100 students staying after school to participate in special classes and clubs. For those of you with students enrolled in the program, please make a note that Mrs. Becky Watson has assumed the position of After School Program Coordinator so if there are any questions or concerns related to after school programming, please address them to either Mrs. Watson or myself.

Have a great weekend!

Class of the week

Yearbook

Yearbook is a fun class where students make the Yearbook for the entire school. One or two responsible students make the newsletter every week. You get to work on Coding.org also. You can take this class in 7th and 8th grade as an elective for the entire school year. The teacher in the Yearbook class is Ms. Post. Yearbook is a cool class because we make each and every page from scratch
