Theme of the week

The theme of the week is rain. It is a very rainy last week. The definition of rain is water falling in drops condensed from vapor in the atmosphere. This is a new thing we are doing to add something fun to the newsletter.

Class of the week Woodshop

Woodshop is a fun class where you get to make things out of wood using different tools. Some of the tools are the lathe, scroll saw, sander to round off the rough edges, and more. The teacher in woodshop is Mr. Bockman. You get to make puzzles, robots, piggy banks, baseball bats, and so much more. You can take woodshop as a class in Jr. High. You can also try it out in 5th grade as an after school class.
