Hello Franklin Families!

Summer is almost here. We are in our final few weeks of school. Congratulations to everyone for all the hard work that has gone into making this year a success.

Summer school is filling fast. If you are planning to have your student(s) attend our summer school this year, please submit a registration form to the office by May 10, 2024.

Those who are registered should all have received a confirmation letter with detailed information on our summer school schedule. If you did not receive this letter and feel you should have, please contact our office.

Thank you!

Dr. Kristen Goode  
Principal

## Good News Club

For those who stay for Good News Club on Fridays, please note that the last meeting was April 26. Good News Club is now over for this school year, but we do have plans to bring them back next year.

Theme of the week  
Frogs

Did you know that frogs use their eyeballs to help them eat? The biggest frog in the world can weigh nearly seven pounds, which is the size of the newborn baby! Certain species of frogs can freeze nearly solid in the winter, and emerge unscathed in the spring.

Congratulations to the following students. They submitted drawings to Matforce for their annual poster contest. Eli and Kara's drawings were made into posters, which will be sent all over Arizona to be displayed in Police stations and Sheriff's offices.  
1st place was Eli B.  
1st place was Kara H.  
Honorable Mentions are Jordan P. Felicity W. Kayden D. and McKenna C.
