

## *Biography*

Hi, my name is Maria Hultquist and I'm excited to be the Spanish teacher for Jr. High students. As a native Spanish speaker, my passion is teaching others this beautiful language, which I have been doing for 12 years.

I offer my knowledge, abilities, and enthusiasm to guide your child with learning another language and the cultures of Spanish-speaking countries.

My educational background includes a Bachelor's Degree, a certificate in Early Childhood Development, Spalding, and CPI Certificates.

I am a proud mom of two beautiful girls; one recently graduated and the other is attending university. I am a wife that enjoys her spare time hiking, reading a good book, and cooking with her husband.
