

Mary Augustinovich

Brief Biography

I grew up in the Northwest Suburbs of Chicago. GO BEARS! I moved to Arizona in 1997, and I met my husband in 2001. I have been married for almost 20 years. I have an 18 year old son and a 17 year old daughter. I also have three dogs and a small flock of chickens.

I have been in education for over 30 years, and in that time, I have taught just about every subject at the middle and high school level. I am excited to be part of the Franklin family again this next year, sharing my enthusiasm for math with all of my students. (Even if they don't always appreciate how much fun math can be!)
