Hello Franklin Families!

We have had a fabulous start to our school year! It has been exciting to be able to welcome new and familiar faces to Franklin School this year. After a month of hard work, let's all take a break in honor of Labor Day on Monday, 9/2, and rest up for the final few weeks of this first quarter!

Dr. Kristen Goode
Principal

New Teachers at Franklin

Mr. Boyd is the new Jr. High Science teacher. Before moving to FPPSPV, he worked at Legacy Traditional School, North Phoenix campus for 3 years, teaching 7th grade science. Before teaching, he worked as a security guard at some pretty cool places. He has 2 children that are going to FPPSPV this year. Marci is in 6th grade and Keegan is in 2nd grade. This will be his 6th year teaching science in Junior High. He started as a long term sub, and fell in love with teaching. He decided to work here because of the style of teaching, the small class sizes, and the small campus. He said that students and staff are very welcoming, and he is enjoying each day here more and more.
