

Dear Parents/Guardians,

Good morning! You are receiving this information because your child is taking Conversational Spanish class at Franklin Phonetics School. My name is Mrs. Hultquist, and I'm the Jr. High Spanish Teacher. During the next week of school we will be working in the following:

Objectives: Spanish 7/8th. Grades Week # 8 Sept. 23-27

- Facts about the country of Nicaragua
- Learn about Cultura : Fiestas del "Día de los Muertos" y el "Cinco de Mayo"
- We will be practicing days, months, and seasons in Spanish
- Continue learning classroom procedures and applying our P.B.I.S. behavioral program. Please encourage your child to consistently follow classroom rules.

I am very proud of the good effort that all my students had made this week!

Activities will be completed in class, so there is no homework if the student works during class.

Have a great weekend,

Mrs. Hultquist
