

Dear Parents/Guardians,

Good morning! You are receiving this information because your child is taking Conversational Spanish class at Franklin Phonetics School. My name is Mrs. Hultquist, and I'm the Jr. High Spanish Teacher. During the next week of school we will be working in the following:

Objectives: Spanish 7/8th. Grades Week # 11 Oct.21-Oct.25

- Students will learn to identify words about clothing
- They will also learn to tell what school supplies they need
- Students will learn fun facts about Cuba
- Continue learning classroom procedures and applying our P.B.I.S. behavioral program. Please encourage your child to consistently follow classroom rules.

I am very proud of the good effort that all my students had made this week!

Activities will be completed in class, so there is no homework if the student works during class.

Enjoy your Fall Break,

Mrs. Hultquist
