

Dear Parents/Guardians,

Good morning! You are receiving this information because your child is taking Conversational Spanish class at Franklin Phonetics School. My name is Mrs. Hultquist, and I'm the Jr. High Spanish Teacher. During the next week of school we will be working in the following:

Objectives: Spanish 7/8th. Grades Week # 13 Nov. 04-Nov .08

- Students will learn how to ask if you can try something on
- They will also learn essential shopping phrases and how to handle confusing situations
- Students will learn fun facts about Colombia
- Continue learning classroom procedures and applying our P.B.I.S. behavioral program. Please encourage your child to consistently follow classroom rules.

I am very proud of the good effort that all my students had made this week!

Activities will be completed in class, so there is no homework if the student works during class.

Enjoy your Fall Break,

Mrs. Hultquist
