Hello Franklin Families!

We wanted to give you an update on the remediation and remodeling process. Unfortunately, we did hit a bit of a snag last week when construction accidentally cut a line to our fire sprinkler system. This is going to slow our process down just a bit, but we are still hoping to get our classes moved back by sometime in February. While we are frustrated with the timeline and concerned about those teachers and students that have been misplaced, we are grateful for the attention to detail that our remediation team has given as, in the long run, the safety of our staff and students is our number one priority. We thank you for your continued patience and support.

Principal

Attention 5th - 8th Grade Parents

We did a surprise backpack check on Friday in grades 5-8. Thank you to all of our students who have been diligently handing in their cell phones and refraining from bringing perfumes/colognes or any other unacceptable items to school. Great job, Franklin Students!
