

Home Economics

Week: 1/20/25 - 1/24/25

Mrs. Hilborn

Most of the class are still working on their name samplers. Some have completed and are working on sewing buttons, a few for the first time. They are learning how to sew one, two and four hole buttons and sew them correctly. We will continue with sewing buttons this week also. I have not received all of the permission slips from each of my classes. I will be sending another home with the students that need them. Please read the welcome letter and sign the slip with your child. I know we are not into learning how to cook at this time, but I need to know of any food allergies or sensitivities before planning. Thank you for your cooperation. I have received from a few students the \$25 contribution for this class and I thank you for that. If you can possibly contribute, it would be greatly appreciated..
