

# Our Week

## 1st Grade

**Nov. 27, 2023**

Dear Parents,  
Reading is an important part of the Student's Homework (HW) and success. Encourage your child to sound out difficult words using their phonograms. Our goal is 15 minutes of reading every night. Students need to work on their spelling and phonograms. You can help them practice every day to achieve better grades.

Thank you for your patience as we transition to new teachers in the first grade classroom. This week we will be introduction a possible new teacher to help Ms. Torres and Mr. & Mrs. Franklin. We will try to send home reading books on Mondays & Wednesdays but feel free to read other books. Practice will make children more confident. ☺

Warmly,  
Your Teacher
