School Characteristics

Back to Basics, Traditional

Mission Statement

The Mission of the Franklin Phonetic Primary School Sunnyslope campus is to prepare students with the academic skills and personal attributes that will allow them to be successful in their future college and career choices. Students will be able to perform grade appropriate tasks in the areas of math, science, social studies, computer applications, art, music and Spanish as well as attain proficiency in the foundational skill of reading. The school strives to insure that all children meet and surpass prescribed grade level expectations. Following the philosophy of Concerted Cultivation parents are encouraged to work with teachers and education authorities to actively monitor and structure student's achievement opportunities by completing nightly homework and participating in extra classes. Children will learn to study, behave appropriately and value learning as they are

taught in an exciting orderly classroom environment. By involving parents and including fine arts instruction within the curriculum the school strives to meet the needs of all students and please all families, including those who favor a more traditional approach to education.
