## Spelling Words

A few of our students are failing Spelling because they are not studying their spelling words every night. Please go over the words with your student every day!

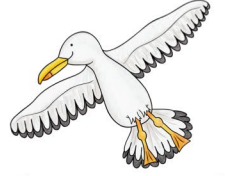

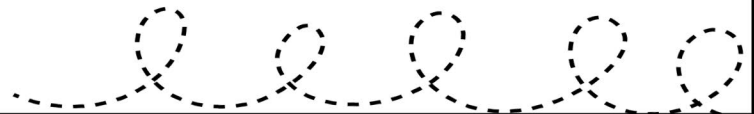

Please send your student to school with  
a bottle of water  
to keep on the floor under their desks.

Please remind your student to cover  
their mouth and nose when they cough  
and/or sneeze

PLEASE work with  
your students to  
learn their math  
facts! They need to  
know addition,  
subtraction,  
multiplication and  
division facts for  
math.

Thank you so much to the parent who sent in two boxes  
of Kleenex this past week!
