Please send your student to school with  
a bottle of water  
to keep on the floor under their desks.

Please remind your student to cover  
their mouth and nose when they cough  
and/or sneeze

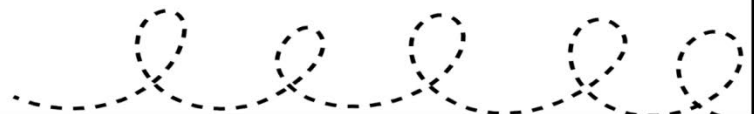

Most of our students are struggling with subtraction facts. PLEASE WORK WITH YOUR STUDENT AT HOME AND HELP THEM MEMORIZE THEIR SUBTRACTION FACTS! It will be very difficult for them to learn new math skills without knowing basic math skills.

For our holiday party, we usually ask parents to bring in packaged cookies and/or cupcakes, etc. We will have a white elephant gift exchange and play some games in the classroom.

There IS early release on December 21<sup>st</sup> at 1 pm.

More information to come next week.

We have several students who do NOT know their subtraction math facts as well as they need to. PLEASE work with your students at home!
