

# Fourth Grade Class

<https://www.franklinphoneticschoolsunnyslope.com/home>

Week 18: Week of: December 11-15, 2023

## A Peek at Our Week

**History/Science/Social Studies:**  
"Caribou: The Real Reindeer," "Making Candy Canes," "The Rockefeller Tree's History"

**Language: Reading:** "Caribou: The Real Reindeer," "Making Candy Canes,"

**Math:** Classifying Quadrilaterals, Stories about a fraction of a group, Stories about a fraction of a group, Simplifying Mixed Measures, Reading and Writing Whole Numbers in Expanded Notation

**Writing:** Your students are learning how to write a 3-paragraph essay about a subject we will study and learn a lot of information about.

## Multiplication Facts

Please pull up **NUMBEROCK** Multiplication Videos to help your student learn his or her Multiplication Facts! We also sent home multiplication cards for them that they need to cut out and use.

Math: attached paper(s) done in class

**Thursday:** Missed spelling words and phonograms.

Math: attached paper(s) done in class

**Friday: No Homework Friday**

Please send your student to school with  
a bottle of water  
to keep on the floor under their desks.

Please remind your student to cover  
their mouth and nose when they cough  
and/or sneeze

Most of our students are struggling with subtraction facts. PLEASE WORK WITH YOUR STUDENT AT HOME AND HELP THEM MEMORIZE THEIR SUBTRACTION FACTS! It will be very difficult for them to learn new math skills without knowing basic math skills.

For our holiday party, we usually ask parents to bring in packaged cookies and/or cupcakes, etc. We will have a white elephant gift exchange and play some games in the classroom.

There IS early release on  
December 21<sup>st</sup> at 1 pm.

For the White Elephant Gift Exchange, your student needs to bring a wrapped item that is either gently used or new; the item cannot be worth over \$5.00

We have several students who do NOT know their subtraction math facts as well as they need to. PLEASE work with your students at home!
