## Holiday Party

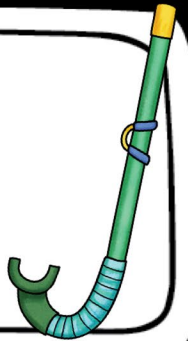

For our holiday party, we usually ask parents to bring in packaged cookies and/or cupcakes, etc. We will have a white elephant gift exchange and play some games in the classroom. There IS early release on December 21<sup>st</sup> at 1 pm.

Please pull up NUMBEROCK Multiplication Videos to help your student learn his or her Multiplication Facts. We sent home multiplication cards in October

Our students would like to have chips (nothing Taki's or anything spicy, please!), cookies, and cupcakes. (We have juice left from our October party.) Please avoid red food coloring if you can. Thank you!

For the White Elephant Gift Exchange, your student needs to bring a wrapped item that is either gently used or new; the item cannot be worth over \$5.00 This can be a book, or a puzzle or a game (as long as all the pieces are in the box).
