Please send your student to school with
a bottle of water
to keep on the floor under their desks.

Please remind your student to cover
their mouth and nose when they cough
and/or sneeze

Most of our students are
struggling with subtraction
facts. PLEASE WORK WITH
YOUR STUDENT AT HOME
AND HELP THEM MEMORIZE
THEIR SUBTRACTION FACTS!
It will be very difficult for
them to learn new math
skills without knowing basic
math skills.

Thank you to everyone who sent in
food and drink items for our
holiday party!

We have several students who do NOT know their
subtraction math facts as well as they need to.
PLEASE work with your students at home!
