Please send your student to school with
a bottle of water
to keep on the floor under their desks.

Cold and Flu season is here! Please send in a box of Kleenex if you can as well as some Clorox Wipes. (Please buy the lighter scents - - Coconut or the Hibiscus (?) tropical scents.) Thank you!

We will be having a Valentine party for our students next month. I will send home a list of our students' names for Valentines as well as things needed for the party.

Please remind your student to cover their mouth and nose when they cough and/or sneeze! We are giving students masks to wear if they are sneezing or coughing a lot to prevent the spread of colds and flu.

Please call me if you have any questions about your student's grades. We can meet before conferences in March.
