Math: attached paper(s) done in class

**Thursday:** Missed spelling words and  
phonograms.

Math: attached paper(s) done in class

**Friday: No Homework Friday**

We are starting to study for state testing in April. Your student will need to know all their math facts (addition, subtraction, multiplication, and division) to pass the math portion of the test.

Cold and Flu season is here! Please send in a box of Kleenex if you can as well as some Clorox Wipes. (Please buy the lighter scents - - Pacific Coconut or the Tahitian Grapefruit.) Thank you!

We may be having a Valentine party for our students next month. I will send home a list of our students' names for Valentines as well as things needed for the party.

Please remind your student to cover their mouth and nose when they cough and/or sneeze! We are giving students masks to wear if they are sneezing or coughing a lot to prevent the spread of colds and flu.

Please call me if you have any questions about your student's grades. We can meet before conferences in March.
