Thursday: Missed spelling words and
phonograms.

Math: attached paper(s) done in class

Friday: No Homework Friday

Please remind your student to cover their mouth and nose when they cough and/or sneeze! We are giving students masks to wear if they are sneezing or coughing a lot to prevent the spread of colds and flu.

Thank you to everyone who sent in food and drinks for our Valentine Party! The children all had a wonderful time! Thank you also for the candy, flowers, and mug & fun broccoli stuffie.

Cold and Flu season is here! Please send in a box of Kleenex if you can as well as some Clorox Wipes. (Please buy the lighter scents - - Clorox Coconut and Water Lily or the Clorox Pacific Coconut.) Thank you

We are studying for state testing in April. Your student will need to know all their math facts (addition, subtraction, multiplication, and division) to pass the math portion of the test. NUMBEROCK Multiplication Videos will help your student learn his or her Multiplication Facts!

Please call me if you have any questions about your student's grades. We can meet before conferences in March.

You can reach me at:
