Week 33: Week of April 15-19, 2024

A Peek at Our Week

History/Science/Social Studies:
"Seahorses,"
Language: Reading:
"How Successful People Give Back"

Math: subtracting Across Zero & Missing Factors; Multiplying Multiples of 10 and 100 & Rounding Numbers to the Nearest Hundred; Adding & Subtracting Decimal Numbers, Part I; Multiplying Two-Digit Numbers, Part I; Parentheses, Associative Property / Naming Lines and Segments

Writing: We are working on our state reports and writing complete sentences as needed for the report information.

Your student's final grade for their state report will depend on how neatly they have written out the information, whether or not they spelled words correctly and capitalized proper nouns (copied from web sites), and if they correctly cited their sources (they have been shown how to do this).

Upcoming Events

**No School
Friday, April 26**

Math: attached paper(s) done in class

Thursday: Missed spelling words and phonograms.

Math: attached paper(s) done in class

Friday: No Homework Friday

Supplies Needed

Kleenex

Clorox Wipes - Anything with
Coconut / Water Lily

Please remind your student to cover their mouth and nose when they cough and/or sneeze! We are giving students masks to wear if they are sneezing or coughing a lot to prevent the spread of colds and flu.

I am being much stricter now with your students on talking in class, getting up and walking around without permission, and blurting. They MUST be prepared for 5th grade!

Cold and Flu season is still here! Please send in a box of Kleenex if you can as well as some Clorox Wipes. (Please buy the lighter scents - - Clorox Coconut and Water Lily or the Clorox Pacific Coconut.) Thank you

Your students still should be watching NUMBEROCK Multiplication Videos to help your student learn his or her Multiplication Facts! Several of our students did NOT know their multiplication facts for the state math testing.

You can reach me at:
marguerite.mcpherson@fppsphoenix.net

Please remind your student to cover their mouth and nose when they cough and/or sneeze! We are giving students masks to wear if they are sneezing or coughing a lot to prevent the spread of colds and flu.
