

KINDERGARTEN NEWS
WEEK # 2
August 12th - August 16th

Hello Parents,

Welcome to the second week of school. Things are going fairly well. The notes and comments have been very helpful. Please remember to check your child's folder each night. :-)

Below are a few important items.

1. ****On the homework folder - Your student has their behavior chart. There will be a sticker or a drawn face on the type of day they had. Also at the bottom of that daily column, there is a place for you to sign or initial. Thank you!**
3. **Please hold off on sending supplies to school. I do not have a lot of storage space. Please keep them at home until we need them.**
4. **If your child is bringing their own lunch from home > please use some form of ice pack. We do not have any way of keeping things cold.**
5. **Snacks or Lunch - Please send healthy snacks and lunch. Please no Takkies, candy or sugary snacks.**
7. **Students need a water bottle. ONLY water is to be brought to school.**
6. **Please no markers or scissors just yet! 😊**
7. **Please make sure your child is not bringing toys to school. Check in their backpacks. Thanks**

8. Please feel free to call or write an email or a quick note. I welcome communication and feel it is very important. We are a team, and because this is their first year at school , we need to make sure communication is open and flowing both ways.

Thank you in advance,

Mrs. Kimball
