

# Our Week in First Grade

**August 26, 2024**

Dear Parents,

Reading is an important part of the Student's Homework (HW) and success. Encourage your child to sound out difficult words using their phonograms. Our goal is 15 minutes of reading every night.

Students need to work on their spelling and phonograms. You can help them practice every day to achieve better grades.

Please check their backpacks for HW everyday and remember to send it back.

Please have your child read their spelling words, sentences, and worksheets to you.

Warmly,  
Your Teacher  
Miss Young
