Sunnyslope Newsletter 08/30/2024

Hello Franklin Families:

We've finished the first month of school. Only eight more months to go.

Students are settling into their daily routine and learning many new things.

Parents, please partner with us in helping your child learn and achieve as much as possible this school year.

On Monday, September 2, we will have no school in celebration of Labor Day. This holiday is observed on the first Monday of September every year and celebrated to recognize the social and economic achievements of workers in our country.

These achievements have given America strength, prosperity and well-being. Students, enjoy your day off from school.
