There is no trick to make a SIX!

- Please study the poem above with your child. We will test on this poem on Friday, November 8th.

Objectives for this week:

Spalding - New Phonograms - **l and z** .We are working on counting sounds in a given word. Writing practice of all phonograms. Review of a - z, using the Phonogram Circus DVD.

Reading - We will continue working on sight words and the importance of print.

Ways to help your child:

* Help your child practice writing letters from A to Z. Ask the student for the letter name and the letter sound.

- Please have your child listen to the Phonogram Circus DVD at home. This will be a great review tool.

Math - Continue working on counting to 50 orally, written # 0 - 20, Identifying objects 1-20, charts / graphs, shapes and patterns. We are also starting to skip count by 2's.

Language Arts - Listening skills, following directions, word families,

**** The test over this poem will be November 8th,2024.**

Science -This statement is taken off the Arizona State Standards list - In kindergarten, students use their senses to help them make observations about the world around them, recognizing patterns and the structures and functions of living and non-living things.

These next few weeks we will be observing and asking questions about patterns of the motion of the sun, moon, and stars in the sky.

Social Studies - Our unit this week will be about key American symbols.

Hello Parents,

- **Please take out all papers on the “HOME” side of your child's green folder > Review them with your child and keep them at home! :-) Also, please make sure to sign return the homework slips each night.**

Thank You,

Mrs. M. Kimball
