

Pre-K NEWS

Week of: November 11th - November 15,
2024

A NOTE FROM YOUR TEACHER:

Hello Families, this week we are exploring the exciting world of *force and motion*! The children will learn about how objects move and how different forces, like pushing and pulling, can make things go faster, slower, or stop. We will be experimenting with these concepts through hands-on activities! Please bring in paper towel tubs, and cardboard boxes by Thur the 14th so we can make our ramp in the classroom.
