

Pre-K NEWS

Week of: September 16 - September 20,
2024

A NOTE FROM YOUR TEACHER:

Welcome to our exciting new theme for the week: **Transportation and Community Signs!** We are exploring how we move from one place to another and learning about the signs that help keep us safe. The children will be engaged in fun, hands-on activities that help them understand the importance of transportation and recognizing common community signs.

IMPORTANT DATES:

Next week is 5 senses!! We will be asking if you can help out with food items. If not it is ok.
