

THANK YOU for sending in treats for the children for our mini-party on October 31st!

Please remind your student to cover their mouth and nose when they cough and/or sneeze

PLEASE work with your students to learn their math facts! They need to know addition, subtraction, multiplication and division facts for math.

SUPPLIES NEEDED:

If you'd like to send in a roll of paper towels, a box of Kleenex, or Clorox Wipes (Coconut & Water Lily or Pacific Coconut), we would really appreciate it!

Please make sure your children dress for cold weather in the mornings and have a jacket or coat. It's not summer any more!!!
