

Kindergarten News

Week 6 - September 9th to September 13th

- *Parents > I realize my Newsletters look the same, but they are different. Please make sure you know the things we are learning in class so that you can help your child with their homework. Please sign the homework slip and send it back with the paper. Thanks for your help! MLK*

Phonograms this week: Ee & Uu

Phonograms to review: a, b, c, d, g, i, o, p, qu,

Phonogram test over - b, i, p

Poem “ #3 “

**A ruffle on a little dress,
Is very plain to see.
Go round and round a ruffle,
To make a number 3.**

Objectives for this week:

Spalding - Phonograms Ee, Uu. Work on counting sounds in a given word. Writing practice of phonograms. **Continue studying the phonogram** at home. This will help your child learn to read and decode unknown words with ease. We are already starting on sounding, then writing. The next step will be spelling. Watching the DVD of the Phonogram songs will also greatly improve your child's understanding of sounds and word creation.

Writing - This is a skill that most people have to be shown and then practiced. **Please practice** the formation of the alphabet letters and their names. **Practice** is going to be the way that fine motor skills are developed.

Kindergarten News

Reading - Working on understanding that words are groups of letters in a specific order. Each letter has its own sound or sometimes sounds. We will work on how changing the first letter of a word can change its meaning - (cat, rat) / Word family concept or patterns and tracking from left to right.

Math - Continue working on counting to 30 orally, written # 0-10, Identifying objects 1-10, Sets/Grouping, Equality, Adding 2 numbers (visually). Moving in Math from left to right.

Language Arts - Listening skills, following directions, noun identification, verb identification, and retelling a story with sequencing > first , next , then, and last. Poem 3 has been assigned today. It is at the top of this newsletter.

Science - We will be learning about how different animals have special body parts to survive.

Social Studies - We will continue working on classroom & playground rules. We will continue learning about our country, flag and the pledge of allegiance.

Parent Information :-)

We are going into the **sixth week** of school. Our Progress reports are coming home on September 13. If you have any questions or concerns, please call the school to schedule a meeting time. I will also be reaching out to you if I need to schedule a meeting. MLK

Please remember to take out all papers on the "HOME" side of your child's green folder > Review them with your child and keep them at home!
Also, please make sure to sign & return the homework slips each night.

The children need you to review their work and guide them on their homework. We need to start these study habits early so they will become strong learners. Keep up the Great work!

Thank you,

Mrs. Kimball
