Week 22 Week of: January 27-31, 2024

A Peek at Our Week

Language: Reading: We are going through materials to practice for the state testing in April

Math: Word Problems, writing numbers in expanded form, bar graphs, filling in missing numbers from equations, calculating change for \$1.00, perpendicular lines, subtraction with borrowing, multiplication and division problems, fractions, adding and subtracting money. We are also going over materials to prepare for state testing the first week of April.

Some of our students are trying to subtract going up; please check their homework to make sure they borrowed if they needed to. Thank you!

Please remind your student to cover their mouth and nose when they cough and/or sneeze

Thanks more than we can say to the family who sent in supplies for our classroom! You are awesome!

State Testing is the first week of April
Please help your student to learn their math facts!

PLEASE work with your students to learn their math facts! They need to know addition, subtraction, multiplication and division facts for fourth grade and for state testing in April.

If you'd like to send in cupcakes or cookies for your student's birthday, you are welcome to send in packaged goods (from the store). We have 10 students plus one teacher.

Valentine's Day

Our students will be exchanging Valentines on February 14th. I will be sending home a list of names for you within the next few weeks.
