Learning Focus:

- **Writing the Alphabet:** We will continue to practice writing letters, focusing on letter formation and recognizing both uppercase and lowercase letters. Your child will be encouraged to write their name and other simple words.
 - **Numbers:** We will begin working on writing and recognizing numbers, starting with 1 through 10. Hands-on activities will help the children learn counting and number recognition.
 - **Sounding Out Words:** Each week, we will focus on sounding out simple words and practice writing them. This will help your child understand the connection between letters and sounds and build early reading skills.
