Reading - We will continue reading our Little books. The children will be bringing these home in their folders. Please read and have them read to you. Keep these little books at home for reading practice.

We are going to continue to work on word families and picture clues. Please have your child listen to the Phonogram Circus and Zoo DVD's at home. This will be a great review tool for review of the letter sounds..

SPELLING

The students will get spelling flashcards on Monday and the test will be on Friday. I will put the spelling list in this newsletter and also will be sending a list home with the students Monday's in their folders.

This is a difficult subject and needs to be practiced every night as a part of homework time.

Spelling list # 10 (Week 28)

one four

two five

three six

- I have been requested to give our students more words each week in Spelling. After Spring Break they will have 8 words and then 10. The goal is 15 by the end of the year. The students will need your help to study these words each night. *Thank You*

Math - Continue working on counting to 100 orally, written # 0 - 75, Identifying objects 1-75, charts / graphs and patterns. We are also exploring counting backwards!

The exciting news is - We are now looking at number patterns and learning about place value. We are working on subtraction and addition. Our papers will now have mixed signs that the students will need to pay attention to.

Kindergarten News

Please help your child accurately count to be correct. I ask the students to mark as the count out loud. This helps them stay one to one.

Language Arts - Listening skills, following directions, word families, verbs and nouns and identifying the details of a story or selection. We will also be working on listening skills and following multi - step directions.

Science - For the next two weeks we will be obtaining, evaluating, and communicating information about how organisms use different body parts for survival. K.L1U1.6

Social Studies - We will be looking at cycles of conflict and cooperation that have shaped relations among people, places, and environments.

- K.H2.1

*Explain the benefits of cooperation and compromise as ways to solve problems.

Thank You,

Mrs. Kimball
