

# Franklin Phonetic School

Sunnyslope Newsletter 01/26/2024

## **Hello Franklin Families,**

This month, grades 3-6 have been busy preparing for the Arizona State AASA tests that will be taken in April. We will send home more information about these tests as the time approaches. Parents, here is what you can do at home to help your child prepare. Encourage them to read every day. After they have read, ask them questions and have them go back to the book or article and show you where they got their answers.

During the AASA reading portion of the test, students will be required to use this skill, so practice is very important. Also, please be sure that your child knows the math facts. This includes addition, subtraction, multiplication, and division.

Staff resumes are available in the office.
