Ms. Wilson

This is Ms. Wilson's first year working at Franklin. Before she came here she was a paraeducator at another school that used to specialize in special needs. She also did caregiving for adults with special needs. She has been a paraeducator for two years, this being her first year as a Franklin paraeducator. Her favorite part about her job is being able to help all the children. With something as simple as making sure they're okay, helping them with phonograms and seeing them start to understand what they need help with is her favorite part of her job.

Tax Donation Information

Keep your tax dollars right here in your community!

The state of Arizona has authorized a tax credit for individuals to donate funds directly to schools!

As a public charter school, donations of up to \$400 for a married couple, or \$200 for a person filing as single head of household, can be made directly to Franklin Phonetic School for this tax year!

Dec. 31st deadline for Federal tax exemptions or April 15th deadline for State tax exemptions!

Your donation will help Franklin Phonetic School continue to offer an array of activities to its students including **band, choir, drama, wood shop, creative art, sports and after school activities!**

Your donation will also help support **field trips and special activities!** Children who could not otherwise afford the minimal cost of an extracurricular activity are supported through the tax funds so that all students can participate!

Tax credit donations also provide great opportunities like these:

- ★ Our junior high students were able to compete at the **Arizona State Project Citizen Showcase**, where they won first place in the oral presentation category!
- ★ Our school participated in the **County Spelling Bee** and placed second in the county!
- ★ We were able to **purchase new equipment and materials for our wood shop and fine arts classes!**
- ★ Donations allow our students to work on special projects such as **ceramics, drama productions, gardening, mural painting, community service projects, and more!**
- ★ Our students have also been able to participate in **Science Olympiad and National Music Honors Society** yearly and travel to band and choir competitions!

Adopt a Falcon Angel for the Holiday!

The Student Council is requesting your help to provide a better Christmas for some of our own Falcon Families. We need help with monetary donations or items if you choose to shop for gifts yourself. The class that raises the most donations will receive a prize. There will be donation boxes in all the classrooms. We will have the boxes in the classrooms on December 4. The Student Council will pick up the boxes on December 11. Please help us with teaching our students about the gift of giving.

Thank you for all your help,
