Mr. Fonda

Mr. Fonda has worked here for 6 years. The first two as a fifth grade teacher and the last four years as a middle school social studies teacher. He used to work at Glassford Middle School as a Social Studies, Language Art, and Math teacher. He has a daughter who attends Arizona State University. He enjoys sharing his love of history with his students. This is Mr. Fonda's first year coaching basketball. His favorite sports are baseball and tennis. He played tennis in high school and his goal is to visit every major league baseball stadium by next year. He has visited 25 out of the 30 stadiums.

Principal's Message

This week we are preparing to take some time off from school to spend with our friends and family. I wanted to express how grateful I am to our students, staff, and families. Franklin faculty thank you for your kindness, generosity, and time that you dedicate to our students and other staff members. Students thank you for coming to school and always trying your best. Franklin families thank you for supporting our school, staff members, and your child/children. Educating our students does take a village and I appreciate how everyone is collaborating and communicating with each other for the betterment of our school community. Enjoy your break and Happy Thanksgiving!
