

Adopt a Falcon Angel for the Holiday!

The Student Council is requesting your help to provide a better Christmas for some of our own Falcon Families. We need help with monetary donations or items if you choose to shop for gifts yourself. The class that raises the most donations will receive a prize. There will be donation boxes in all the classrooms. We will have the boxes in the classrooms on December 1. The Student Council will pick up the boxes on December 12th. Please help us with teaching our students about the gift of giving.

Thank you for all your help,

Franklin Falcon Student Council
