

My name is Mrs. Honaker. I am the Special Education Director and 504 Coordinator at Franklin Phonetic Charter School. I have been working in the special education department for over 15 years at Franklin. I have been the special education director and 504 coordinator for the last few years. When I started at Franklin, I taught junior high math for several years. Then I taught 1-3 grade resource for couple of years. I have a bachelor's degree in Elementary and Special Education (K-12th grade) from Northern Arizona University. I have the SEI endorsement. I graduated NAU as a member of the Golden Key National Honor Society. I have taken additional training in dyslexia, ADHD, sensory issues, LIPS program, math for elementary and many more. My heart has always been in working with special education kids. I have dedicated my life's work to improving special education.
