Principal's Message

Franklin Families, Students, and Faculty,
This week our school happily participated in National Kindness week. Students were encouraged to spread kindness throughout our campus and at home. Students also made kindness posters that will be displayed throughout the campus for everyone to see. Finally, on Friday to culminate all of our kindness activities students will attend an assembly where we will spread kindness to our local fire fighters, police officers, nurses, and other local community members. I am very proud of all of our students who went out of their way to spread kindness throughout our campus during this important week.
