After-school programs are full.

If you want a DVD of the 5th Grade Grammar Play or Choir Concert, contact Ms. Dobies.

School Buildings Repaint

The Franklin Phonetic School Staff decided that the school needed a more cohesive look. The buildings also needed repainting. The school will also be repainting the Big 5 building so that it matches the rest of the campus. Now it is clear which buildings belong to the school. The school received funding for the project through a grant called "ESSER-III" from the state department of education.

Jr. High Cleanup Day

On October 8th the student council hosted their annual Jr. High cleanup day. About 7 years ago the student council voted to give up one of their dances and dedicate that day to community service. The teachers and students were assigned to clean up different areas which included classrooms, playgrounds, parking lots, and the perimeter of the school. The event went from 10 to 2. After a few hours of cleaning Panera Bread donated a picnic lunch which they have donated for the last several years. Then the students and staff played games like volleyball, tug-a-war, and frisbee golf. About 100 students participated in the cleanup and everybody had a great time!
