Ms. Post

Ms. Post has recently received a \$500 dollar visa gift card. She got it by submitting her name and school information to the APS "Supply My Class" teacher award. Ms. Post has submitted her name for several years. Other staff members have also applied, but we are not aware of any other winners this year. Ms. Post had no idea she won until the office staff told her that she got a gift card in her box. She was very excited but had no idea that she had won. She has purchased new mouse pads for all thirty computers and a wide variety of things for her Yearbook class. It also goes to our school to make it look great. They are also currently working on bulletin boards too. Thank you APS Electric Company for choosing Ms. Post for the "Supply My Class" award.

Golden ticket winners were also announced in the PBIS assembly. Golden tickets are given out to students who show one or all of our three B's. Congratulations to all of our winners, and good luck to all our future winners. The Student Council put together a few skits to help us with our three B's at the assembly and our challenge next week is to make a new friend. Terrific job Falcons!!
