We are in need of girl's leggings (all sizes) and gently used jackets (all sizes). If you have these items and want to donate them, please email Ms. Post at robinpost@fppspv.net.

Remember that you can access your child's grade through the Tyler SIS parent portal.

Kindness Challenge

The kindness challenge this past week was a success. Thank you for all of your dedication and hard work. Last week over 18 million students in 36,052 schools in 115 countries across the world participated in the kindness challenge week. We really want to make sure this is just a start of changing our behavior to affect a more positive school climate. We would like to thank all of our firefighters, nurses, and police officers for taking the time to visit our school. We also want to thank each and everyone of you, for your service and dedication to our community. From the kindness coins that the students fundraised we make a total of \$458.26 and we will be giving the money raised to the homeless vets in Prescott.

Principal's Message

Franklin Families, Students, and Faculty,

This week I concluded the second quarter data meetings with teachers. Data meetings are held throughout the school year with the SPED Director, Counselor, Teacher, and Principal in attendance. During the data meetings we discuss students' progress in all academic areas to ensure that students are receiving services to meet their individual needs. Reflecting upon the meetings, it is apparent that absences and tardies were a common denominator for students who are not making expected growth in their academics during this school year. I understand that due to the COVID-19 pandemic student attendance rates have been affected. However, whenever possible please ensure that your child(ren) are arriving and attending school on a consistent basis to ensure that they have every opportunity to excel at school.

Thank you for your continued support,
Principal Gabaldon
