Remember that you can access your child's grade through the Tyler SIS parent portal.

## Ms. Honaker

Mrs. Honaker worked at Franklin in special education since June 2006. She has had previous jobs working with special education including transportation and respite work. She has two children, both girls that previously graduated from Franklin. Mrs. Honaker's favorite part about her job is that she works with students that need help with different situations where she has to do a wide variety of things in one day. Ms. Honakers job is never boring & and never done, She always has work to do!

## **Principal's Message**

Happy New Year! We have officially made it halfway through the school year. As I look forward to the second semester at Franklin School our focus will continue to be on promoting positive behavior and academic gains for all of our students. Administration will meet with teachers this month to analyze current classroom data to ensure that all students are receiving necessary support and enrichment. Franklin School will continue to offer students before school, Spalding tutoring, and after school tutoring in reading and math for K-5th grade. Junior high tutoring in math and reading occurs either before or after school as well as during lunch recess depending upon the teachers schedule. If you have any questions or concerns regarding your students academics, behavior, or programs that our school offers please feel free to contact me at [cgabaldon@fppspv.net](mailto:cgabaldon@fppspv.net) or 928-775-6747 ext. 101.

Thank you and have a wonderful week!
